⁴ All existing entities that currently intend to rely upon the requested Order have been named as Applicants. Any other existing or future entity that subsequently relies on the Order will comply with the terms and conditions of the Application.

The relief requested in this application for the Order (the “*Application*”) would allow a Regulated Fund⁵ and one or more Affiliated Entities⁶ to engage in Co-Investment Transactions⁷ subject to the terms and conditions described herein. The Regulated Funds and Affiliated Entities that participate in a Co-Investment Transaction are collectively referred to herein as “*Participants*.”⁸ The Applicants do not seek relief for transactions effected consistent with Commission staff no-action positions.⁹

⁵ “*Regulated Fund*” means the Existing Regulated Funds and any Future Regulated Funds. “*Future Regulated Fund*” means an entity (a) that is a closed-end management investment company registered under the 1940 Act, or a closed-end management investment company that has elected to be regulated as a business development company under the 1940 Act, (b) whose (1) primary investment adviser or (2) sub-adviser is an Adviser (as defined below) and (c) that intends to engage in Co-Investment Transactions. If an Adviser serves as sub-adviser to a Regulated Fund whose primary adviser is not also an Adviser, such primary adviser shall be deemed to be an Adviser with respect to conditions 3 and 4 only.

The term Regulated Fund also includes (a) any Wholly-Owned Investment Sub (as defined below) of a Regulated Fund, (b) any Joint Venture (as defined below) of a Regulated Fund, and (c) any BDC Downstream Fund (as defined below) of a Regulated Fund that is a business development company. “*Wholly-Owned Investment Sub*” means an entity: (a) that is a “wholly-owned subsidiary” (as defined in Section 2(a)(43) of the 1940 Act) of a Regulated Fund; (b) whose sole business purpose is to hold one or more investments and which may issue debt on behalf or in lieu of such Regulated Fund; and (c) is not a registered investment company or a business development company. “*Joint Venture*” means an unconsolidated joint venture subsidiary of a Regulated Fund, in which all portfolio decisions, and generally all other decisions in respect of such joint venture, must be approved by an investment committee consisting of representatives of the Regulated Fund and the unaffiliated joint venture partner (with approval from a representative of each required). “*BDC Downstream Fund*” means an entity (a) directly or indirectly controlled by a Regulated Fund that is a business development company, (b) that is not controlled by any person other than the Regulated Fund (except a person that indirectly controls the entity solely because it controls the Regulated Fund), (c) that would be an investment company but for Section 3(c)(1) or 3(c)(7) of the 1940 Act, (d) whose investment adviser is an Adviser and (e) that is not a Wholly-Owned Investment Sub.

In the case of a Wholly-Owned Investment Sub that does not have a chief compliance officer or a Board, the chief compliance officer and Board of the Regulated Fund that controls the Wholly-Owned Investment Sub will be deemed to serve those roles for the Wholly-Owned Investment Sub. In the case of a Joint Venture or a BDC Downstream Fund (as applicable) that does not have a chief compliance officer or a Board, the chief compliance officer of the Regulated Fund will be deemed to be the Joint Venture’s or BDC Downstream Fund’s chief compliance officer, and the Joint Venture’s or BDC Downstream Fund’s investment committee will be deemed to be the Joint Venture’s or BDC Downstream Fund’s Board.

⁶ “*Affiliated Entity*” means an entity not controlled by a Regulated Fund that intends to engage in Co-Investment Transactions and that is (a) with respect to a Regulated Fund, another Regulated Fund; (b) an Adviser or its affiliates (other than an open-end investment company registered under the 1940 Act), and any direct or indirect, wholly- or majority-owned subsidiary of an Adviser or its affiliates (other than of an open-end investment company registered under the 1940 Act), that is participating in a Co-Investment Transaction in a principal capacity; or (c) any entity that would be an investment company but for Section 3(c) of the 1940 Act or Rule 3a-7 thereunder and whose investment adviser is an Adviser.

To the extent that an entity described in clause (b) is not advised by an Adviser, such entity shall be deemed to be an Adviser for purposes of the conditions.

⁷ “*Co-Investment Transaction*” means the acquisition or Disposition of securities of an issuer in a transaction effected in reliance on the Order or previously granted relief.

⁸ “*Adviser*” means an existing Adviser and any other investment adviser controlling, controlled by, or under common control with an existing Adviser. The term “Adviser” also includes any internally-managed Regulated Fund.

II. GENERAL DESCRIPTION OF THE APPLICANTS

A. Existing Regulated Funds

Carlyle Secured Lending, Inc.

BDC I is a Maryland corporation incorporated on February 8, 2012, and structured as an externally managed, non-diversified closed-end investment company. On May 2, 2013, BDC I filed its election to be regulated as a BDC under the Act. BDC I has elected to be treated as a regulated investment company (“**RIC**”) under Subchapter M of the Internal Revenue Code of 1986, as amended (the “**Code**”), and operates in a manner so as to qualify for the tax treatment applicable to RICs.

BDC I’s Objectives and Strategies are to generate current income and capital appreciation primarily through debt investments. BDC I’s core investment strategy focuses on lending to U.S. middle market companies, which BDC I defines as companies with approximately \$25 million to \$100 million of EBITDA, which BDC I believes is a useful proxy for cash flow. BDC I seeks to achieve its investment objective primarily through direct originations of secured debt (which we refer to as “**Middle Market Senior Loans**”), including first lien senior secured loans (which may include stand-alone first lien loans, first lien/last out loans and “unitranche” loans) and second lien senior secured loans, with the balance of its assets invested in higher yielding investments (which may include unsecured debt, mezzanine debt and investments in equities). The Middle Market Senior Loans are generally made to private U.S. middle market companies that are, in many cases, controlled by private equity firms. Depending on market conditions, BDC I expects that between 70% and 80% of the value of its assets will be invested in Middle Market Senior Loans.

The Board of BDC I is comprised of seven directors, five of whom are Independent Directors of BDC I.¹⁰

Carlyle Credit Solutions, Inc.

BDC II is a Maryland corporation incorporated on February 10, 2017. BDC II is structured as an externally managed, non-diversified closed-end investment company. On October 2, 2017, BDC II filed its election to be regulated as a BDC under the Act. BDC II is conducting a private offering of its shares of common stock to investors in reliance on exemptions from the registration requirements of the Securities Act. The initial capital drawdown from its investors was settled on October 4, 2017. Shortly thereafter, BDC II commenced its operations. BDC II has elected to be treated as a RIC under Subchapter M of the Code, and operates in a manner so as to qualify for the tax treatment applicable to RICs.

BDC II’s Objectives and Strategies are to generate attractive risk adjusted returns and current income primarily by investing in senior secured term loans to U.S. middle market companies in which private equity sponsors hold, directly or indirectly, a financial interest in the form of debt and/or equity. BDC II’s core investment strategy focuses on lending to U.S. middle market companies, which BDC II defines as companies with approximately \$25 million to \$100 million of EBITDA, which BDC II believes is a useful proxy for cash flow.

¹⁰ The Board of each Future Regulated Fund will consist of a majority of members who are not “interested persons” of such Future Regulated Fund within the meaning of Section 2(a)(19) of the Act.

BDC II seeks to achieve its investment objective through direct originations of Middle Market Senior Loans, including first lien senior secured loans, “unitranche” loans and second lien senior secured loans, with the balance of its assets invested in investments that are typically higher yielding than Middle Market Senior Loans (which may include unsecured debt, mezzanine debt and investments in equities), although it may make investments in issuers with EBITDA outside of such range.

The Board of BDC II is comprised of seven directors, five of whom are Independent Directors of BDC II.

Carlyle Tactical Private Credit Fund

CTAC is Delaware statutory trust. CTAC is structured as a non-diversified, closed-end management investment company that is operated as an interval fund. CTAC has elected to be treated as a RIC under Subchapter M of the Code, and operates in a manner so as to qualify for the tax treatment applicable to RICs.

CTAC’s investment objective is to generate current income by opportunistically allocating its assets across a wide range of credit strategies. Under normal circumstances, CTAC will seek to invest at least 80% of its assets in private fixed-income securities and credit instruments. CTAC will opportunistically allocate its investments in private credit instruments across any number of the following credit strategies: (a) liquid credit (including broadly syndicated loans); (b) direct lending (including first lien loans, second lien loans, unitranche loans and mezzanine debt); (c) opportunistic credit (including private credit solutions, special situations and market dislocations); (d) structured credit (including CLOs); and (e) real assets (including infrastructure and aviation assets). To a lesser extent, CTAC also may invest in distressed credit.

The Board of CTAC is comprised of five directors, three of whom are Independent Directors of CTAC.

Carlyle AlpInvest Private Markets Fund

CAPM is a Delaware statutory trust that was formed on December 7, 2021. CAPM is a non-diversified, closed-end investment company that intends to provide periodic liquidity with respect to its shares through periodic repurchase offers pursuant to Rule 13e-4 under the Exchange Act. APEIM serves as investment adviser to CAPM and CGCIM serves as sub-adviser. CAPM has elected to be treated as a RIC under Subchapter M of the Code, and operate in a manner so as to qualify for the tax treatment applicable to RICs.

CAPM’s investment objective is to generate long-term capital appreciation. Under normal circumstances, CAPM intends to invest at least 80% of its net assets (plus the amount of any borrowings for investment purposes) in private markets investments. For purposes of this policy, private markets investments include, without limitation, (a) as part of CAPM’s “Direct Investments” strategy, direct investments in individual portfolio companies alongside third-party private equity and private credit funds; (b) as part of CAPM’s “Secondary Investments” strategy, secondary purchases of interests in third-party private equity and private credit funds and portfolio companies; (c) as part of CAPM’s “Primary Investments” strategy, direct subscriptions for interests in third-party private equity and private credit funds; and (d) investments in privately placed bank loans and other debt instruments and loans to private companies. As part of its principal investment strategies, CAPM expects to invest in underlying funds and portfolio companies organized both within and outside of the United States. CAPM will invest in broadly syndicated term loans and other fixed income investments in order to manage its cash and liquidity needs while earning an incremental return. CAPM may engage in additional investment strategies in the future.

The Board of CAPM is comprised of four trustees, three of whom are Independent Trustees of CAPM.

Carlyle Credit Income Fund

CCIF is a Delaware statutory trust. Pursuant to a definitive agreement, CGCIM became investment adviser to CCIF, as approved by CCIF shareholders pursuant to a special meeting held on June 15, 2023. CCIF is a non, diversified closed-end management investment company. CCIF has elected to be treated as a RIC under Subchapter M of the Code, and operates in a manner so as to qualify for the tax treatment applicable to RICs.

CCIF's investment objective is to generate current income, with a secondary objective to generate capital appreciation. CCIF sees to achieve our investment objectives by investing primarily in equity and junior debt tranches of CLOs that are collateralized by a portfolio consisting primarily of below investment grade U.S. senior secured loans with a large number of distinct underlying borrowers across various industry sectors. CCIF may also invest in other related securities and instruments or other securities and instruments that CGCIM believes are consistent with our investment objectives, including senior debt tranches of CLOs, loan accumulation facilities ("**LAFs**") and securities issued by other securitization vehicles, such as collateralized bond obligations, or "CBOs." LAFs are short- to medium-term facilities often provided by the bank that will serve as the placement agent or arranger on a CLO transaction. LAFs typically incur leverage between four and six times prior to a CLO's pricing. The CLO securities in which CCIF primarily seeks to invest are unrated or rated below investment grade and are considered speculative with respect to timely payment of interest and repayment of principal. Unrated and below investment grade securities are also sometimes referred to as "junk" securities. In addition, the CLO equity and junior debt securities in which CCIF invests are highly leveraged (with CLO equity securities typically being leveraged ten times), which magnifies the risk of loss on such investments.

The Board of CCIF is comprised of five trustees, three of whom are Independent Trustees of CCIF.

B. The Existing Affiliated Funds

The Existing Affiliated Funds are investment funds each of whose investment adviser is an Adviser and each of which would be an investment company but for Section 3(c)(1) or 3(c)(7) of the 1940 Act.¹¹ A list of the Existing Affiliated Funds and their respective investment advisers is included on Schedule B hereto.

C. The Existing Advisers

Each of the Existing Advisers was organized as a limited liability company under the laws of the state of Delaware or a limited liability partnership organized under the laws of the United Kingdom and is privately held. Each of the Existing Advisers is an indirect subsidiary of The Carlyle Group, Inc. (NYSE: CG) and has registered with the Commission pursuant to Section 203 of the Advisers Act or relies on the registration of another Existing Adviser under the Advisers Act or, in the case of European Manager, is an exempt reporting adviser that is not required to register under the Advisers Act, or in the case of CIC, a foreign private adviser that is not required to register under the Advisers Act. Each of the European Manager and CIC is registered with the UK Financial Conduct Authority (the "**FCA**") and provides investment management or advisory services.

CGCIM. CGCIM serves as investment adviser to each of BDC I, BDC II, CTAC, CCIF, and certain Existing Affiliated Funds and the sub-adviser to CAPM pursuant to the terms of their respective investment advisory agreements. CGCIM will review investments with respect to BDC I, BDC II, CTAC, CCIF, certain Existing Affiliated Funds and CAPM for which it serves as investment adviser or sub-adviser, as applicable, to determine whether or not each entity should invest in a new portfolio company and, if so, to what extent.

APEIM. APEIM serves as the investment adviser to CAPM pursuant to the terms of its investment advisory agreements. APEIM will review investments with respect to CAPM to determine whether or not it should invest in a new portfolio company and, if so, to what extent.

European Manager. The European Manager serves as the investment adviser to certain Existing Affiliated Funds pursuant to the terms of their respective investment advisory agreements. The European Manager will review investments with respect to the Existing Affiliated Funds for which it serves as investment adviser to determine whether or not each entity should invest in a new portfolio company and if so, to what extent.

¹¹ In the future, the Affiliated Fund may register as a closed-end management investment company under the Act and, if so registered, will be considered a Regulated Fund for purposes of this application.

CIC. CIC is a wholly-owned subsidiary of Carlyle that provides investment advice to CGCIM and its affiliates with respect to identifying, evaluating, and monitoring investment opportunities for certain Existing Affiliated Funds.

Carlyle CLO Manager. Carlyle CLO Manager serves as investment adviser to certain Existing Affiliated Funds pursuant to the terms of their respective investment advisory agreements. Carlyle CLO Manager will review investments with respect to the Existing Affiliated Funds for which it serves as investment adviser to determine whether or not each entity should invest in a new portfolio company and, if so, to what extent.

D. The Existing Wholly-Owned Investment Subs

Each of the Wholly-Owned Investment Subs is a wholly-owned subsidiary of a Regulated Fund that is controlled by the Regulated Fund of which it is a subsidiary.

E. The Existing Joint Venture

The Existing Joint Venture is a Joint Venture of BDC I. The Existing Joint Venture was established with Credit Partners USA LLC (“**Credit Partners**”) primarily to invest in first lien loans of middle market companies sourced primarily by BDC I and its affiliates. Portfolio and investment decisions with respect to the Existing Joint Venture must be unanimously approved by a quorum of the Existing Joint Venture’s investment committee consisting of an equal number of representatives of BDC I and Credit Partners.

III. ORDER REQUESTED

The Applicants request an Order of the Commission under Sections 17(d) and 57(i) of the 1940 Act and Rule 17d-1 thereunder to permit, subject to the terms and conditions set forth below in this Application (the “**Conditions**”), each Regulated Fund to be able to participate with one or more Affiliated Entities in Co-Investment Transactions otherwise prohibited by Sections 17(d) and 57(a)(4) of the 1940 Act and Rule 17d-1 thereunder.

A. Applicable Law

Section 17(d), in relevant part, prohibits an affiliated person, or an affiliated person of such affiliated person, of a registered investment company, acting as principal, from effecting any transaction in which the registered investment company is “a joint or a joint and several participant with such person” in contravention of such rules as the SEC may prescribe “for the purpose of limiting or preventing participation by such [fund] on a basis different from or less advantageous than that of such other participant.”

Rule 17d-1 prohibits an affiliated person, or an affiliated person of such affiliated person, of a registered investment company, acting as principal, from participating in, or effecting any transaction in connection with, any “joint enterprise or other joint arrangement or profit-sharing plan”¹² in which the fund is a participant without first obtaining an order from the SEC.

Section 57(a)(4), in relevant part, prohibits any person related to a business development company in the manner described in Section 57(b), acting as principal, from knowingly effecting any transaction in which the business development company is a joint or a joint and several participant with such persons in contravention of such rules as the Commission may prescribe for the purpose of limiting or preventing participation by the business development company on a basis less advantageous than that of such person. Section 57(i) provides that, until the SEC prescribes rules under Section 57(a), the SEC’s rules under Section 17(d) applicable to registered closed-end investment companies will be deemed to apply to persons subject to the prohibitions of Section 57(a). Because the SEC has not adopted any rules under Section 57(a), Rule 17d-1 applies to persons subject to the prohibitions of Section 57(a).

Rule 17d-1(b) provides, in relevant part, that in passing upon applications under the rule, the Commission will consider whether the participation of a registered investment company in a joint enterprise, joint arrangement or profit-sharing plan on the basis proposed is consistent with the provisions, policies and purposes of the 1940 Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

B. Need for Relief

Each Regulated Fund may be deemed to be an affiliated person of each other Regulated Fund within the meaning of Section 2(a)(3) if it is deemed to be under common control because an Adviser is or will be either the investment adviser or sub-adviser to each Regulated Fund. Section 17(d) and Section 57(b) apply to any investment adviser to a closed-end fund or a business development company, respectively, including a sub-adviser. Thus, an Adviser and any Affiliated Entities that it advises could be deemed to be persons related to Regulated Funds in a manner described by Sections 17(d) and 57(b). The Existing Advisers are each majority-owned by Carlyle, are under common control, and are thus affiliated persons of each other. Accordingly, with respect to each Existing Adviser, and any other Advisers that are deemed to be affiliated persons of each other, Affiliated Entities advised by any of them could be deemed to be persons related to Regulated Funds (or a company controlled by a Regulated Fund) in a manner described by Sections 17(d) and 57(b). In addition, any entities or accounts controlled by or under common control with an Existing Adviser, and/or any other Advisers that are deemed to be affiliated persons of each other that may, from time to time, hold various financial assets in a principal capacity, could be deemed to be persons related to Regulated Funds (or a company controlled by a Regulated Fund) in a manner described by Sections 17(d) and 57(b). Finally, with respect to any Wholly-Owned Investment Sub, Joint Venture, or BDC Downstream Fund of a Regulated Fund, such entity would be a company controlled by its parent Regulated Fund for purposes of Section 57(a)(4) of the 1940 Act and Rule 17d-1 under the 1940 Act.

C. Conditions

Applicants agree that any Order granting the requested relief will be subject to the following Conditions.

1. Same Terms. With respect to any Co-Investment Transaction, each Regulated Fund, and Affiliated Entity participating in such transaction will acquire, or dispose of, as the case may be, the same class of securities, at the same time, for the same price and with the same conversion, financial reporting and registration rights, and with substantially the same other terms (provided that the settlement date for an Affiliated Entity may occur up to ten

¹² Rule 17d-1(c) defines a “[j]oint enterprise or other joint arrangement or profit-sharing plan” to include, in relevant part, “any written or oral plan, contract, authorization or arrangement or any practice or understanding concerning an enterprise or undertaking whereby a registered investment company ... and any affiliated person of or principal underwriter for such registered company, or any affiliated person of such a person or principal underwriter, have a joint or a joint and several participation, or share in the profits of such enterprise or undertaking”

business days after the settlement date for the Regulated Fund, and vice versa). If a Participant, but not all of the Regulated Funds, has the right to nominate a director for election to a portfolio company's board of directors, the right to appoint a board observer or any similar right to participate in the governance or management of a portfolio company, the Board of each Regulated Fund that does not hold this right must be given the opportunity to veto the selection of such person.¹³

2. Existing Investments in the Issuer. Prior to a Regulated Fund acquiring in a Co-Investment Transaction a security of an issuer in which an Affiliated Entity has an existing interest in such issuer, the "required majority," as defined in Section 57(o) of the 1940 Act,¹⁴ of the Regulated Fund ("**Required Majority**") will take the steps set forth in Section 57(f) of the 1940 Act,¹⁵ unless: (i) the Regulated Fund already holds the same security as each such Affiliated Entity; and (ii) the Regulated Fund and each other Affiliated Entity holding the security is participating in the acquisition in approximate proportion to its then-current holdings.

3. Related Expenses. Any expenses associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction, to the extent not borne by the Adviser(s), will be shared among the Participants in proportion to the relative amounts of the securities being acquired, held or disposed of, as the case may be.¹⁶

4. No Remuneration. Any transaction fee¹⁷ (including break-up, structuring, monitoring or commitment fees but excluding broker's fees contemplated by section 17(e) or 57(k) of the 1940 Act, as applicable), received by an Adviser and/or a Participant in connection with a Co-Investment Transaction will be distributed to the Participants on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the transaction, the fee will be deposited into an account maintained by the Adviser at a bank or banks having the qualifications prescribed in section 26(a)(1) of the 1940 Act, and the account will earn a competitive rate of interest that will also be divided pro rata among the Participants based on the amount they invest in such Co-Investment Transaction. No Affiliated Entity, Regulated Fund, or any of their affiliated persons will accept any compensation, remuneration or financial benefit in connection with a Regulated Fund's participation in a Co-Investment Transaction, except: (i) to the extent permitted by Section 17(e) or 57(k) of the 1940 Act; (ii) as a result of either being a Participant in the Co-Investment Transaction or holding an interest in the securities issued by one of the Participants; or (iii) in the case of an Adviser, investment advisory compensation paid in accordance with investment advisory agreement(s) with the Regulated Fund(s) or Affiliated Entity(ies).

¹³ Such a Board can also, consistent with applicable fund documents, facilitate this opportunity by delegating the authority to veto the selection of such person to a committee of the Board.

¹⁴ Section 57(o) defines the term "required majority," in relevant part, with respect to the approval of a proposed transaction, as both a majority of a BDC's directors who have no financial interest in the transaction and a majority of such directors who are not interested persons of the BDC. In the case of a Regulated Fund that is not a BDC, the Board members that constitute the Required Majority will be determined as if such Regulated Fund were a BDC subject to Section 57(o) of the 1940 Act.

¹⁵ Section 57(f) provides for the approval by a Required Majority of certain transactions on the basis that, in relevant part: (i) the terms of the transaction, including the consideration to be paid or received, are reasonable and fair to the shareholders of the BDC and do not involve overreaching of the BDC or its shareholders on the part of any person concerned; (ii) the proposed transaction is consistent with the interests of the BDC's shareholders and the BDC's policy as recited in filings made by the BDC with the Commission and the BDC's reports to shareholders; and (iii) the BDC's directors record in their minutes and preserve in their records a description of the transaction, their findings, the information or materials upon which their findings were based, and the basis for their findings.

¹⁶ Expenses of an individual Participant that are incurred solely by the Participant due to its unique circumstances (such as legal and compliance expenses) will be borne by such Participant.

¹⁷ Applicants are not requesting and the Commission is not providing any relief for transaction fees received in connection with any Co-Investment Transaction.

5. **Co-Investment Policies.** Each Adviser (and each Affiliated Entity that is not advised by an Adviser) will adopt and implement policies and procedures reasonably designed to ensure that: (i) opportunities to participate in Co-Investment Transactions are allocated in a manner that is fair and equitable to every Regulated Fund; and (ii) the Adviser negotiating the Co-Investment Transaction considers the interest in the Transaction of any participating Regulated Fund (the “**Co-Investment Policies**”). Each Adviser (and each Affiliated Entity that is not advised by an Adviser) will provide its Co-Investment Policies to the Regulated Funds and will notify the Regulated Funds of any material changes thereto.¹⁸

6. **Dispositions:**

(a) Prior to any Disposition¹⁹ by an Affiliated Entity of a security acquired in a Co-Investment Transaction, the Adviser to each Regulated Fund that participated in the Co-Investment Transaction will be notified and each such Regulated Fund given the opportunity to participate pro rata based on the proportion of its holdings relative to the other Affiliated Entities participating in such Disposition.

(b) Prior to any Disposition by a Regulated Fund of a security acquired in a Co-Investment Transaction, the Required Majority will take the steps set forth in Section 57(f) of the 1940 Act, unless: (i) each Affiliated Entity holding the security participates in the Disposition in approximate proportion to its then-current holding of the security; or (ii) the Disposition is a sale of a Tradable Security.²⁰

7. **Board Oversight:**

(a) Each Regulated Fund’s directors will oversee the Regulated Fund’s participation in the co-investment program in the exercise of their reasonable business judgment.

(b) Prior to a Regulated Fund’s participation in Co-Investment Transactions, the Regulated Fund’s Board, including a Required Majority, will: (i) review the Co-Investment Policies, to ensure that they are reasonably designed to prevent the Regulated Fund from being disadvantaged by participation in the co-investment program; and (ii) approve policies and procedures of the Regulated Fund that are reasonably designed to ensure compliance with the terms of the Order.

(c) At least quarterly, each Regulated Fund’s Adviser and chief compliance officer (as defined in Rule 38a-1(a)(4)) will provide the Regulated Fund Boards with reports or other information requested by the Board related to a Regulated Fund’s participation in Co-Investment Transactions and a summary of matters, if any, deemed significant that may have arisen during the period related to the implementation of the Co-Investment Policies and the Regulated Fund’s policies and procedures approved pursuant to (b) above.

(d) Every year, each Regulated Fund’s Adviser and chief compliance officer will provide the Regulated Fund’s Board with reports or other information requested by the Board related to the Regulated Fund’s participation in the co-investment program and any material changes in the Affiliated Entities’ participation in the co-investment program, including changes to the Affiliated Entities’ Co-Investment Policies.

¹⁸ The Affiliated Entities may adopt shared Co-Investment Policies.

¹⁹ “**Disposition**” means the sale, exchange, transfer or other disposition of an interest in a security of an issuer.

²⁰ “**Tradable Security**” means a security which trades: (i) on a national securities exchange (or designated offshore securities market as defined in Rule 902(b) under the Securities Act of 1933, as amended) and (ii) with sufficient volume and liquidity (findings which are to be made in good faith and documented by the Advisers to any Regulated Funds) to allow each Regulated Fund to dispose of its entire remaining position within 30 days at approximately the price at which the Regulated Fund has valued the investment.

(e) The Adviser and the chief compliance officer will also notify the Regulated Fund's Board of a compliance matter related to the Regulated Fund's participation in the co-investment program and related Co-Investment Policies or the Regulated Fund's policies and procedures approved pursuant to (b) above that a Regulated Fund's chief compliance officer considers to be material.

8. Recordkeeping. All information presented to the Board pursuant to the order will be kept for the life of the Regulated Fund and at least two years thereafter, and will be subject to examination by the Commission and its Staff. Each Regulated Fund will maintain the records required by Section 57(f)(3) as if it were a business development company and each of the Co-Investment Transactions were approved by the Required Majority under Section 57(f).²¹

9. In the event that the Commission adopts a rule under the 1940 Act allowing co-investments of the type described in this Application, any relief granted by the Order will expire on the effective date of that rule.

IV. STATEMENT IN SUPPORT OF RELIEF REQUESTED

Applicants submit that allowing the Co-Investment Transactions described by this Application is justified on the basis of (i) the potential benefits to the Regulated Funds and their respective shareholders and (ii) the protections found in the terms and conditions set forth in this Application.

A. Potential Benefits to the Regulated Funds and their Shareholders

Section 57(a)(4) and Rule 17d-1 (as applicable) limit the ability of the Regulated Funds to participate in attractive co-investment opportunities under certain circumstances. If the relief is granted, the Regulated Funds should: (i) be able to participate in a larger number and greater variety of investments, thereby diversifying their portfolios and providing related risk-limiting benefits; (ii) be able to participate in larger financing opportunities, including those involving issuers with better credit quality, which otherwise might not be available to investors of a Regulated Fund's size; (iii) have greater bargaining power (notably with regard to creditor protection terms and other similar investor rights), more control over the investment and less need to bring in other external investors or structure investments to satisfy the different needs of external investors; (iv) benefit from economies of scale by sharing fixed expenses associated with an investment with the other Participants; and (v) be able to obtain better deal flow from investment bankers and other sources of investments.

B. Shareholder Protections

Each Co-Investment Transaction would be subject to the terms and conditions of this Application. The Conditions are designed to address the concerns underlying Sections 17(d) and 57(a)(4) and Rule 17d-1 by ensuring that participation by a Regulated Fund in any Co-Investment Transaction would not be on a basis different from or less advantageous than that of other Participants. Under Condition 5, each Adviser (and each Affiliated Entity that is not advised by an Adviser) will adopt and implement Co-Investment Policies that are reasonably designed to ensure that (i) opportunities to participate in Co-Investment Transactions are allocated in a manner that is fair and equitable to every Regulated Fund; and (ii) the Adviser negotiating the Co Investment Transaction considers the interest in the Transaction of any participating Regulated Fund. The Co-Investment Policies will require an Adviser to make an independent determination of the appropriateness of a Co-Investment Transaction and the proposed allocation size based on each Participant's specific investment profile and other relevant characteristics.

²¹ If a Regulated Fund enters into a transaction that would be a Co-Investment Transaction pursuant to this Order in reliance on another exemptive order instead of this Order, the information presented to the Board and records maintained by the Regulated Fund will expressly indicate the order relied upon by the Regulated Fund to enter into such transaction.

V. PRECEDENTS

The Commission has previously issued orders permitting certain investment companies subject to regulation under the 1940 Act and their affiliated persons to be able to participate in Co-Investment Transactions (the “*Existing Orders*”).²² Similar to the Existing Orders, the Conditions described herein are designed to mitigate the possibility for overreaching and to promote fair and equitable treatment of the Regulated Funds. Accordingly, the Applicants submit that the scope of investor protections contemplated by the Conditions are consistent with those found in the Existing Orders.
